

Our journey didn't start when we received our licensed producer status in 2019, it started back in 2005 when we grew our first plants and sold our first bag. Carmel is the coming together of legacy players, their collection of rare genetics, and shared passion to put our top-shelf product in your hands.

### TOP SHELF CANNABIS

ONTARIO  
CRAFT CANNABIS  
(Local!)

SMALL BATCH  
(Grown in  
2000 sqft rooms)

Buds sorted for optimal bag appeal

3 X .5G PRE-ROLL  
Whole Flower  
Glass tube with cork  
Slim unbleached cone

PRODUCT	APPEARANCE	AROMA AND FLAVOUR	DOMINANT TERPS	DESCRIPTION	BREEDER / LINEAGE	FORMAT / PRICE
<p><b>MAC 1</b></p> <p>Hybrid (19-25% THC)</p>	Light Mossy Green, Purple Lavender Notes, Resinous	Diesel Lemon Pine Sol Orange Sorbet	Terpinolene Caryophyllene Farnesene	Our Mac 1 is an S1 of a clone only Mac 1, which we pheno hunted until we found our unicorn. The final result was a pheno that produces beautiful buds with notes of green, lavender and frost. Upon first inhale expect to be hit with a creamy citrus aroma followed by some powerful gas.	Bred by capitulator in California. Mac 1 is a balanced hybrid created through crossing Jaws Alien Cookies with his Miracle 15 male.	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
<p><b>ANIMAL FACE</b></p> <p>Sativa Dominant (22-28% THC)</p>	Frosty, Mossy Green, Bright Orange Hairs	Diesel Lemon Pine Sol Cake	Limonene Myrcene Linalool	Animal Face is an ultra potent, flavourful sativa that packs a punch. Our version of Animal Face was selected out of 100 different phenos, not only for its high potency and terpene profile, but also because we love the unique flavours of lemon and cake.	Bred by seed Junky genetics in California. Animal Face is created through crossing Face Off OG with Animal Mints.	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
<p><b>PEANUT BUTTER BREATH</b></p> <p>Indica Dominant (19-25% THC)</p>	Tight Resin Covered Buds, Vibrant Purple Shading	Floral Peanut Cacao	Limonene Caryophyllene Myrcene	Bred by Thug Pug, Peanut Butter Breath is a creation of crossing Do-Si-Dos with Mendo Breath. Tight resin covered buds feature vibrant purple shading that really make this one pop. Peanut Butter Breath has some of the best bag appeal you will ever see. The aroma is sweet with subtle floral notes and the smoke is heavy with nutty and chocolate flavours that will keep you coming back for more.	Bred by Thug Pug in Michigan, Peanut Butter Breath is created by crossing Do-Si-Do with Mendo Breath.	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
<p><b>DIM MAC</b></p> <p>Indica Dominant (20-26% THC)</p>	Dense, Lime Green, Vibrant Orange Hairs	Citrus Gas Cookie	Limonene Caryophyllene Linalool	A first release from Carmel's in-house breeding program, Dim MAC was born by crossing Drew's Dark Helmet with a MAC male. The result is a beautiful flower that delivers the best of both genetics. The appearance is more MAC leaning with the density and flavour profile of the Dark Helmet. Upon inhale expect an ultra smooth smoke that deliver hints of creamy citrus and cookie dough.	Bred by Carmel, Dim MAC is created by crossing our Drew's Dark Helmet with a MAC male.	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
<p><b>DREW'S PHENO</b></p> <p>Indica Dominant (24-30% THC)</p>	Lot specific	Lot specific	Lot specific	Top-shelf flower always starts with a pheno hunt, where untold hours are spent popping seeds in the name of finding a unicorn. Drew's Pheno features a rotation of limited drops grown by our partner craft growers and hand selected by our master grower.	Lot specific	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
<p><b>TIGER CAKE</b></p> <p>Indica Dominant (20-26% THC)</p>	Dark Olive, Orange Hairs, Frosty	Skunk Menthol Gas	Limonene Caryophyllene Myrcene	Tiger Cake is a home run for all of the gas lovers out there. Large, frosty nugs feature a deep green colour with bright orange hairs. The aroma of menthol and gas will tickle your senses and the smooth smoke will knock you off your feet.	Bred by Compound Genetics, Tiger Cake is a cross of Layer Cake and The Menthol.	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
<p><b>SORBETTO</b></p> <p>Indica Dominant (20-26% THC)</p>	Bright Green, Purple Hues, Orange Hairs	Gas Honey Cream	Limonene Caryophyllene Myrcene	Sorbetto is an award-winning strain that features dense purple shaded buds with mouth-watering flavours that live up to its legendary lineage. Upon inhale expect to be hit with notes of gas and honey followed by a smooth creamy exhale.	Bred by the legendary aficionado seeds, Sorbetto is an award-winning strain that was developed by crossing Zkittlez, Sunset Sherbet and Magnum Opus.	<p>3.5g Whole Flower Wholesale \$32.19, MSRP \$48.95</p> <p>3x.5g Pre-Roll Wholesale \$14.57, MSRP \$21</p>
