LINIAGE

HIGH HEAT WAS BORN FROM OUR RELENTLESS IN-HOUSE PHENO HUNTING AND WAS CREATED BY CROSSING BUBBA OCTANE AND SEED JUNKY OG. FROM ALL THE SEEDS WE POPPED, THIS ONE EMERGED AS A STANDOUT FOR ITS POWERFUL TERPENE PROFILE AND RICH, FLAVORFUL SMOKE. THE HEAVY KUSH AROMA, COMBINED WITH DISTINCTIVE NOTES OF GAS AND A HINT OF 7UP, HAD US COMING BACK FOR MORE. WHEN YOU OPEN THE BAG, YOU'LL BE WELCOMED BY VIBRANT GREEN BUDS, DENSE AND GENEROUSLY FROSTED WITH TRICHOMES, ENSURING A POTENT AND SMOOTH EXPERIENCE.
