BIO

BRED AND PHENO HUNTED IN-HOUSE, CANDY GAS FACE WAS CREATED BY CROSSING ANIMAL FACE WITH APPLE FRITTER AND ZKITTLEZ. CANDY GAS FACE WAS SELECTED FOR ITS HEAVY GAS AROMA, BACKED BY DISTINCTIVE NOTES OF CANDY AND APPLE. UPON OPENING YOUR BAG, YOU'LL BE GREETED BY BRIGHT GREEN BUDS THAT ARE NOT ONLY DENSE BUT ALSO GENEROUSLY SUGAR-COATED. BECAUSE IT'S THE RIGHT THING TO DO, ALL OF OUR FLOWER IS HANG DRIED, HAND TRIMMED, SLOW COLD CURED, AND HAND PACKAGED. WE BELIEVE FRESH AND TERPY IS BEST, SO ALL OUR FLOWER IS PACKAGED IN A NITROGEN FLUSHED POUCH WITH A HUMIDITY PACK. NON IRRADIATED, OBVIOUSLY.
