## BIO

BRED BY SEED JUNKY GENETICS, BUBBLE POP CAKE IS A CROSS OF BUBBLEGUM SHERB AND CAP JUNKY. CRACK OPEN THE POUCH AND YOU'LL FIND CANDY-COATED, DENSE, MARBLED NUGS—VIBRANT GREENS AND PURPLES SWIRLED THROUGH, ABSOLUTELY LOADED WITH FROSTY TRICHOMES. WHAT MADE US FALL FOR BUBBLE POP CAKE IS ITS STANDOUT NOSE AND TASTE—YOU'LL HIT A RUSH OF SWEET BUBBLEGUM CANDY UPFRONT, LAYERED WITH SMOOTH CREAMY SHERBET AND A PUNCH OF GASSY FUEL ON THE BACKEND.
